Current Issues in PDEs and Stochastics

Dedicated to the 150th Anniversary of the Romanian Academy

June 1st, 2016, Bucharest

Speakers

Lucian Beznea (Bucharest)

Pierluigi Colli (Pavia)

Angelo Favini (Bologna)

Gianni Gilardi (Pavia)

Mimmo Iannelli (Trento)

Oana Lupascu (Bucharest)

Gabriela Marinoschi (Bucharest)

Marius Tucsnak (Bordeaux)

Organizers: Lucian Beznea, Gabriela Marinoschi

Support from:
- Project "Nonlinear partial differential equations (PDE) with applications in modeling cell growth, chemotaxis and phase transition", within the Scientific Cooperation Agreement between CNR Italy and the Romanian Academy
- SOFTWIN Group

The conference will take place at IMAR in Amfiteatrul "Miron Nicolescu", at 09:00 h
