CURRICULUM VITAE

LIVIU ORNEA

Personal Data: Born at 14.07.1960 in Bucharest, Romania. Married since 1984. Two children.

Education: 1980–1985 Faculty of Mathematics, University of Bucharest

Positions held: 1985–1987: Mathematics teacher, High school nr. 6, Tîrgovişte.

1987–1990: Mathematician at the Institute for Computer Science, Bucharest.

1990–1991: Assistant professor, Polytechnical Institute of Bucharest.

1991–1995: Assistant professor Faculty of Mathematics, University of Bucharest.

1995–2000: Lecturer, Faculty of Mathematics, University of Bucharest.

2000–2004: Reader, Faculty of Mathematics, University of Bucharest.

2004– Professor, Faculty of Mathematics, University of Bucharest.

2007– Senior Researcher, Institute of Mathematics 'Simion Stoilow" of the Romanian Academy.

Doctorate: 1993 at the University of Bucharest with the thesis *Geometric structures on complex manifolds. Locally conformal Kähler structures.*

Research: over 40 published papers.

One monograph.

The item *Hopf manifolds* in Encyclopedia of Mathematics, Kluwer (vol. 11).

6 plenary talks in international conferences.

Stages of various lengths in institutes like Max–Planck, ESI, ICTP etc.

Award: Prize "Gh. Ţiţeica" of the Romanian Academy on 1998 for the monograph *Locally conformal Kähler geometry*, Birkhäuser.
