The 22nd Conference of the Romanian Society of Probability and Statistics

Bucharest, May 10-11, 2019

List of speakers (tentative)

Vlad Bally (Université de Paris-Est, France)

Dan Crisan (Imperial College London, United Kingdom)

Radu Craiu (University of Toronto, Canada)

Paulina Ilmonen (Aalto University, Finland)

Céline Lacaux (Université d'Avignon, France)

Bohdan Maslowski (Charles Univ. Prague, Czeck Republic)

Madalina Olteanu (Université de Paris 1, France)

Valentin Patilea (ENSAI Rennes, France)

Giovanni Peccati (University of Luxembourg, Luxembourg)

Nicolas Perkowski (Max Planck Institute, Germany)

Julien Randon-Furling (Université de Paris 1, France)

Lauri Viitasaari (University of Helsinki, Finland)

Invited scientific societies

The following scientific societies will be represented at the conference SPSR 2019:

1. **The Czeck Mathematical Society**, represented by Bohdan Maslowski, president of the society

2. **Le groupe MAS (Modelisation Aleatoire et Statistique)** de la SMAI (Societe de Mathematiques Appliquees et Industrielles), France, represented by Celine Lacaux, president of SMAI-MAS

3. **Finnish Statistical Society**, represented by Paulina Ilmonen, president of the society

4. **The Romanian Mathematical Society,** represented by Radu Gologan, president of the society

The conference is organized by
The Romanian Society of Probability and Statistics

The Bucharest University of Economical Studies
"Gheorghe Mihoc-Caius Iacob" Institute of Mathematical Statistics and Applied Mathematics,
and
Simion Stoilow Institute of Mathematics of the Romanian Academy

Topics:
- Stochastic Processes
- Statistics
- Optimization
- Actuarial and Financial Mathematics

Conference location: Simion Stoilow Institute of Mathematics of the Romanian Academy (Calea Grivitei nr. 21, Bucharest), Amfiteatrul "Miron Nicolescu
