

“Simion Stoilow” Institute of Mathematics of the Romanian Academy

WORKSHOP on STOCHASTICS and POTENTIAL

Bucharest, June 21st and 22nd, 2006

Wednesday, June 21st, 2006

11:00-12:00 **Dominique Bakry** (Toulouse) *Precise functional inequalities in Euclidean spaces and applications, I*

Coffee

12:15-13:00 **Lucrețiu Stoica** (Bucharest) *Sur le principe de maximum stochastique*

Thursday, June 22nd, 2006

11:00-12:00 **Dominique Bakry** (Toulouse) *Precise functional inequalities in Euclidean spaces and applications, II*

Coffee

12:15-13:00 **Constantin Tudor** (Bucharest) *Some aspects of the anticipating stochastic calculus*

Financial support from **SOFTWIN** is gratefully acknowledged.

Meeting Room: “Simion Stoilow” Institute of Mathematics of the Romanian Academy (Calea Griviței nr. 21), 3rd floor, room 306.
