BOOKS (IN ROMANIAN)

- Todea, C.C. *Coomologia grupurilor și a blocurilor algebrelor grupale* Editura Fundației pentru Studii Europene, 2010. ISBN 978-606-526-057-3.

TEACHING EXPERIENCE

Technical University of Cluj Napoca, CJ

Assistant

October 2011 to present

- Instructor and responsible for teaching seminars for students: linear algebra and geometry, differential equations;

Junior Assistant

February 2009 to September 2011

- Instructor and responsible for teaching seminars for students: linear algebra and geometry, differential equations;

National High-School "Avram Iancu" Cîmpeni, AB

High-School Teacher

September 2005 to February 2009

- Responsible for teaching elementary mathematics (for students under 18);

COMPUTER SKILLS

- using Microsoft Office and Latex

PARTICIPATION TO CONFERENCES

- Fusion systems and p -local group theory, July 2011, Copenhagen, Denmark.
- The Representation Dimension of Artin Algebras, May 2008, Bielefeld, Germany.
- Duality and Involutions in Representation Theory, August 2008, Maynooth, Republic of Ireland.
- International Conference on Modules and Representation Theory, July 2008, Cluj Napoca, Romania.
- Research visit at Prof. Markus Linckelmann, August 2009, University of Aberdeen, Scotland.
