## **The Seventh Congress of Romanian Mathematicians** *June 29-July 5, 2011, Brasov, Romania*

### **First Announcement**

This meeting is intended to resume an old tradition of holding congresses of Romanian mathematicians and it is largely open to international participation. Six such congresses were organized in Cluj (1929), Turnu Severin (1932), Bucharest (1945, 1956, and 2007), and Pitesti (2003).

The Seventh Congress will be held in Brasov from June 29 to July 5, 2011, and will be organized by the Section of Mathematical Sciences of the Romanian Academy, "Simion Stoilow" Institute of Mathematics of the Romanian Academy, Transilvania University of Brasov, the Faculty of Mathematics and Computer Science of the University of Bucharest, and the Romanian Mathematical Society.

A selection of the proceedings of the congress will be published. More details will be provided in the Second Announcement.
