

IMAR Monthly Lecture

Math and AI

Ionel Popescu

FMI and IMAR

Wednesday, April 22, 2026, 12:00

IMAR, *Miron Nicolescu* amphitheatre

Abstract: The development of mathematics brings some theoretical results on the foundations of AI. We will discuss some of these results. On the other hand the evolution of AI has impacted mathematics. We will discuss some of these developments and try to outline some of the paradigms ahead.
